Figure Skating Club**

\* Canadians must pay an additional fee of \$1.00 for each U.S. Figure Skating Test (See TR 5.04)

\*\* If you are a USFS member with a club other than CVFSC, you must have a letter of permission from

**DO NOT STAPLE CHECK TO  
APPLICATION**

## CVFSC TEST GUIDELINES - PLEASE READ

1) Test applications and fees must be submitted to the Test Chair no later than 3 weeks prior to the test date. Applications must be received by mail (postmarked) on or before the deadline date or you may not be scheduled for the test. Forms need to be complete with proper fees paid (test fee, hospitality fee and non-member fee, if applicable) and signatures included (coach and parent) or you run the risk of your application not being processed when received.

2) Applications received after the deadline date (3 weeks prior to test), if accepted will be subject to a \$10 late fee and will only be accepted at the discretion of the Test Chairs.

3) Test Applications will be accepted and prioritized in the following order: home club full member, associate member, non-member, in the order they are received with the possible exception for high level tests.\*

4) Any cancellation of a test by a skater after application deadline and one week prior to the test session is not refundable, but the skater can use credit towards the next available test session. If the skater does not test at the next available test session, then such fee is forfeited and the test application will need to be resubmitted. The only exception to this rule is an injury or illness verified by a physician's note. (This is to prevent a skater from indefinitely holding a spot as we need to plan for accurate ice time and judging).

5) A skater wishing to test at a CVFSC test session who is not a full home club member or associate member is subject to the following additional requirements:

- A letter of permission from the skater's home club must be submitted with the test—emailed permissions accepted at [kellybev@gmail.com](mailto:kellybev@gmail.com).
- A non-member fee of \$20.00 in addition to the test fees must be submitted with the application.

On the day of the test, skaters should arrive to the test session at least one hour prior to their scheduled warm-up time. Failure to report as specified may result in the test being cancelled.

\* You may join CVFSC as a full/associate member to avoid the charge

Be respectful of Judges, Test Chairs and Test Volunteers as all of their time is generously donated.
